

Obituary

Diana Suzanne Myers, 55

Diana Suzanne Myers, 55, of Blackfoot, lost her battle with cancer on December 26, 2011, surrounded by her family at home.

She was born March 10, 1956 in Pomona, California to Sol Clayton and Beverley Eden Kitchell Sullivan.

Diana worked for the Blackfoot Elks Lodge for 8 years, cooking for Friday night dinners and banquets.

Diana is survived by her husband, Peter Myers, her mother, Beverley Sullivan, her children: Delanie, Matthew and Rachel and her grandchildren, Nickolas and Easton. She is also survived by her sisters, Mishelle and Heidi and her brother, Michael.

She made a special and unique contribution to the lives of her family and friends because God blessed her with optimism and a loving heart. She was a lover of animals and her dog, cats and kune kune pigs are the luckiest animals on earth.

Diana was such a loved person, she will be having three memorials: one in Blackfoot to be announced, one in San Diego, California and one in Bouse, Arizona in the spring.

In lieu of flowers, if you wish, memorial contributions may be made to the Humane Society.

Arrangements are under the direction of Hawker Funeral Home, condolences may be sent to the family at: condolences@hawkerfuneralhome.com.
